Through These Doors

Through these doors one must pass
To enter worlds of service unknown
To aid the suffering teeming mass
To let them know they're not alone.

Through these doors we hesitantly stept
In our search for knowledge, truth, skill,
Within these walls we've laughed and wept
In our endeavor to aid the ill.

From the protection of these walls
The eternal call of the maimed implores
To heed their resounding calls
We must forever depart through these doors.

THE WHITE CAP 1963
THE TOLEDO HOSPITAL SCHOOL OF NURSING

2701 Oatis Avenue
Toledo, Ohio

DEDICATION

To you, Mrs. Robinson, our beloved Director of Croxton House, we the Class of 1963, dedicate our "White Cap."

You have truly made Croxton House a "home away from home" in which we are all proud to entertain our friends and relatives. We will long remember your friendly interest in our problems, your continuous striving to maintain our comfort, and your smile as warm as the beverage you pour at Tea.

May this be our way of saying "Thank-you" for your many acts of kindness which you have shown us throughout our three years of training.

A Nurse's Prayer

The world grows brighter year by year,
Because some nurse in her small sphere
Puts on her apron, and smiles, and sings,
And keeps on doing the same old things.

Taking the temperatures, giving the pills
To remedy mankind's numerous ills
Feeding the babies, answering the bells,
Being polite with a heart that rebels.

Longing for home, and all the while,
Wearing the same old professional smile.
Blessing the new-born baby's first breath,
Closing the eyes that are stilled in death.

Taking the blame for all the mistakes,
Oh, dear! What a lot of patience it takes.
Going off duty at seven o'clock,
Tired, discouraged, and ready to drop.

But called out to help at seven-fifteen,
With woe in the heart that must not be seen.
Morning and evening, noon and night,
Just doing it over, hoping its right.

When we report off to cross the bar,
Dear Lord, will You give us just one little star
To wear on the cap of our uniform new —
In the Ward above, where the head nurse is You.

Director of Nursing Education and Nursing Service

Miss Edna E. Sharritt, our faithful Director of Nursing Education and Service, was graduated from Grant Hospital School of Nursing in Columbus, Ohio. She then attended Columbia University where she received her Bachelor of Science Degree and Master of Arts Degree. She began her years of devoted service at Toledo Hospital in 1939, as Assistant Director of Nursing Service. This was, however, interrupted by military service, where she served her country in the capacity of Chief Nurse of the Cadet Nurse Program at Fletcher Hospital and later as Chief Nurse of the 238th General Hospital Division. At the completion of her military service, she returned to Toledo Hospital where she accepted her present position as Director of Nursing Education and Service.

Miss Sharritt has in the past actively served as a member of the Ohio Board of Nursing Education and Nurse Registration. She continues to serve in many professional and civic organizations.

Mrs. Kiess, Mr. Keefer, and Miss Sharritt express their opinions concerning the remodeling of the Nurse's Home.

Associate Director of Nursing Education

Miss Klingler's beaming smile is an encouragement to all students.

Miss Beulah Klingler, our Associate Director of Nursing Education, who is dear to every student's heart, has given an important contribution to the Toledo Hospital School of Nursing since her arrival at Toledo Hospital in 1950. Upon her arrival, she served in the capacity of clinical instructor which was followed by advancement to the position of Associate Director Of Nursing Education, which is the position she now holds.

After graduating from Lima Memorial Hospital, Miss Klingler received her Bachelor of Science degree from Western Reserve University and her Master of Arts degree from the University of Chicago. Before coming to Toledo Hospital in 1950, she was employed at Lima Memorial Hospital as Assistant Head Nurse and Instructor in the Delivery Room, which was interrupted by serving one year in the Army Nurse Corps during World War II.

In addition to her present duties in our school of nursing, Miss Klingler is an active participant in professional activities such as advisorship to the Toledo Student Nurse Association.

We all remember the first six months when we attended the University of Toledo. Making our way through the park on unpredictable days our minds were filled with dissecting cats, examining old bones and observing wiggly organisms. The brighter side of these days included the mixed company in the memorable halls and the student union. Then, at last, back to Croxton.

OUR AFFILIATIONS

With great anticipation we looked forward to our six months of affiliation. The first several days after our arrival were spent in orientation. During this time we also began many lasting friendships with students from other schools. The work was not easy, as we were soon to learn. In Cincinnati we found it heartbreaking to see some of those children dying from leukemia, but found it rewarding to see a child who had been acutely ill for weeks, take his first step again, alone. A completely different situation greeted us at State Hospital. Here were some patients merely existing who had been there for a major part of their lives. In an attempt to decrease the number of patients in this situation, we saw massive drug therapy being used. It was amazing to watch the rapid change in the actions and attitudes of newly admitted patients. We feel that both our pediatric and psychiatric affiliation were challenging and an important part of our training.

FRESHMEN

A Night to be Remembered

Capping is one of the most important events during our training. We wait for it from the moment we enter the front doors of Croxton. The anticipation of it offers encouragement during the long months of hard work. What a wonderful feeling when our "Big Sis" replaces our organdy cap with the traditional Toledo Hospital cap. We know that there is harder work ahead, but we have taken a big step toward our ambition of someday gracing our cap with a black band. As we say the Nightingale Pledge, we feel proud that we are on our way to becoming a nurse.

MOTHER AND DAUGHTER BANQUET

We student nurses wish to thank our mothers for all the patience that they show us always, and for their love in which we can feel secure.

Tea for two?

Practicing for the big game tomorrow?

Tastes pretty good . . . if we do say so ourselves.

SENIOR

The close companionship we, as seniors, had with each other will surely be missed as we prepare to embark on a new life as Registered Nurses. Many doors are opening and many will close as our three years come to an end. Our many friendships have grown through hours of laughing, crying, working, studying, and general waste of time. The dormitory living is an experience each of us will always remember.

THE LADY WITH THE LAMP

"Whene're a noble deed is wrought,
Whene're is spoken a noble thought,
Our hearts, in glad surprise,
To higher levels rise.

"Honor to those whose words and deeds
Thus help us in our daily needs,
And by their overflow
Raise us from what is low.

"Thus thought I as by night I read
Of the great army of the dead,
The trenches cold and damp
The starved and frozen camp.

"The wounded from the battle plain
In dreary hospitals of pain,
The cheerless corridors,
The cold and stony floors.

"Lo, in that house of misery
A lady with a lamp I see
Pass through the glimmering gloom
And flit from room to room.

"And slow, as in a dream of bliss,
The sleepless suffers turns to kiss
Her shadow as it falls
Upon the darkening walls.

"In England's annals, through the long
Hereafter of her speech and song,
That light its rays shall cast
From portals of the past.

A lady with a lamp shall stand,
In the great history of the land,
A noble type of good,
Heroic womanhood."

— Henry Wadsworth Longfellow
